

THE CAN-AM GRAND NATIONAL CROSS COUNTRY (GNCC) SERIES MAKES IT'S REAPPEARANCE AT UNADILLA® ON SEPTEMBER 27 & 28, 2008

Unadilla is pleased to again host Round #11 of the GNCC series. The second stop in the Northeast, the GNCC series begins in March and works its way from Florida throughout the south and the Midwest before arriving in New Berlin in on September 27th .

2007 saw a large increase in the number of ATV racers at the Unadilla round. The word is out, if you what to challenge yourself, you come to Unadilla. Think you got what it takes? You'll never know until you try. On Sunday, the starting grid is handlebar-to-handlebar with bikes waiting to take the course. There is nothing quite like seeing over four hundred bikes ready and throttling to get going!!!

Still wonder what all the excitement continues to be about? Well, Jeff Russell and crew continue to design a course that utilizes not only both of our motocross tracks but the acres of woods at our facility. Over 9 miles of hills, woods, and swampy sections await to test racer and machine. Both motorcycles and ATVs compete during the weekend, making for great two wheel and four wheel racing. Spectators can move around and see many different sections. With most races lasting 2 hours or more, there is time to move around and find several unique vantage points.
